In re Patent No. 7,717,383

Issue Date: May 18, 2010

Application No. 10/580,612

Filed: March 27, 2007

Attorney Docket No. 22630/112029-04

DECISION ON PETITION

This is a decision on the Request Under 37 CFR 3.81(b) To Correct Assignment Data, filed September 23, 2010, which is being treated as a Petition Under 37 CFR §3.81(b), to accept the omission of the assignee's name and residence. A completed Certificate of Correction Form (PTO/SB/44) was submitted with Petition.

The petition under 37 CFR §3.81(b) is **GRANTED**.

Petitioner requests that the present Petition was submitted to add the omission of the assignee's name and residence on the previously submitted PTOL-85B. Accordingly, petitioner requests that a Certificate of Correction (PTO/SB/44) be issued to add the omitted assignee's name and residence to the Title Page of the Letters Patent.

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The requisite \$100.00 fee (Fee Code 1811), as set forth under 37 CFR 1.20(a), has been submitted. However, the \$130.00 processing fee (Fee Code 1464), as set forth under 37 CFR 1.17(i), was not charged. A review of the application record confirms that a general authorization to charge a deposit account was present. As such, the fee has been charged as authorized. Further, Office assignment records are consistent with the requested correction. Accordingly, since the Petition complies with the provisions of 37 CFR 3.81(b), it is appropriate for the Office to issue a Certificate of Correction in accordance with the content of the Form that accompanied the petition.

Inquiries related this communication should be directed to the undersigned at (571)272-3213.

Any questions concerning the issuance of a Certificate of Correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a Certificate of Correction in U.S. Patent No. 7,717,383.

A handwritten signature in black ink, reading "Cheryl Gibson-Baylor". The signature is written in a cursive, flowing style.
